

ORCA KAMOGAWA FC

Orca Kamogawa was founded in 2014, taking the name of the “killer whale” and main attraction at Kamogawa Sea World in Chiba. Orca represents a wish to navigate powerfully and bravely, just like these kings of the ocean. We will never stop aiming to reach new heights, empowering the hopes and dreams of children and our communities. With new ideas, we will continue to share our message from Minami Boso.
