

# YAMATO SYLPHID

Founded in 1998 as a team of junior high school players, the club has gone on to produce a number of Women's National Team members, as well as players for the Nadeshiko League. In February 2014, a women's team was created with the intention of entering theNadeshiko League. In November of the same year, the team participated in an entry match, before eventually joining the Challenge League in 2015. Since 2019, it has been a member of theNadeshiko League.Orange is the team's color, and its name, Sylphid, means 'a fairy of wind'. It aims to lift up the local community through sports.

## Slogan and Goals

The power of orange – Resilience

Resilience is ‘the power of bouncing back’. It also means the strength to overcome difficulties. Our slogan was created by replacing ‘bouncing back’ with our team color. No matter how hard we struggle, we will overcome as one. That is the way Sylphid plays soccer, and we aim for victory.
