

EHIME FC LADIES

Ehime FC is the home team for the entire prefecture of Ehime. The women's team was founded in 2011, mainly with graduate members from the International Pacific University Women's College FC. It aims to inspire the hopes and dreams of the community. As a member of the J League, the local team is proud of its efforts and strives to become a valued part of Ehime.

Slogan and Goals

SHINKA - Growth, Reinvention, and Authenticity – lead to the championship

The Japanese word “Shinka” has multiple meanings. Like our slogan, we are constantly improving and reinventing ourselves, using history and tradition to aid us in winning the championship. As we progress into the newly organized league, we hope to communicate our truth not only as soccer players, but as people to the whole nation.
