

ANGE VIOLET HIROSHIMA

Ange Violet Hiroshima was founded in Hiroshima in 2012. The team's name means "Violet Angels" in French. Having been founded as a citizens' club having no corporate backer, the team ideal is, "Deepening links with the local community, realize a local society in which people will want to do their best again tomorrow". Through putting maximum effort into football, work and community activities, we aim to be a team that is worthy of everyone's support!
