

NORDDEA HOKKAIDO

Upon joining the Challenge League in 2010, its name, Norddea, was chosen by the public. The name combines NORD meaning ‘north’ and DEA meaning ‘goddess.’ A team broadly loved by the people of Hokkaido, it now enters the Nadeshiko League Division 2, striving to become a symbol of regional development, social contributions, and women’s empowerment. It hopes to become a much valued organization, sharing that excitement with the people of Hokkaido.
