

TSUKUBA FC LADIES

Founded in 1993, it was reestablished as an NPO, the Tsukuba Football Club. A large, integrated club in the region, it has more than 1000 members over 5 sports. Its aim is to create a rich environment where people can enjoy sport throughout their lives. It is committed not only to their programs, but to improving sports infrastructure such as fields and club houses. The team also participates in hometown activities, promoting local events, agriculture, and tourism.

Slogan and Goals

Toughness

Amid the social instability from last year, we will never lose the strength and focus needed on our objective: a promotion to Division 1. Toughness includes both physical and mental strength, as well as flexibility. When facing difficulties, we explore all possibilities to help reach our goals.
