

FUKUOKA J ANCLAS

The name "Anclas" comes from a Spanish word meaning 'anchor'. Started in 1986 as a school club, it eventually became independent and managed by the NPO Anclas.

After having played in the Japan Women's Football League since 2006, it withdrew from the league in 2017. A newly established company, Fukuoka Anclas took over management in 2018. The team since has been active locally, fostering a close relationship with the community.
