

# SPERANZA OSAKA

Originating out of a corporate team, Speranza FC Takatsuki was founded as a citizens' club in 2000. It changed its name to Konomiya Speranza Osaka Takatsuki in line with a change of management in 2016, and was later renamed as Speranza Osaka based on stronger awareness of being a community-based club for the entire area of Osaka Prefecture. "Speranza" means "hope" in Italian. We strive to spread and develop football and aim to be a team that imparts dreams, hopes and spirit to many people and children.
