

VIAMATERRAS MIYAZAKI

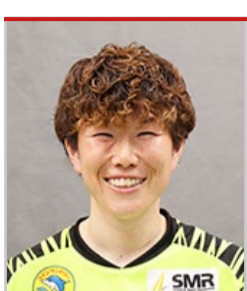

Wanting to become the flower of the community, Viamaterras Miyazaki was founded in 2020 with the goal of joining the WE League. The club aims to spread "smiling faces" to many people while each player and staff member sparkles and pursues their "authentic self". Exploring the role that sport should play in the community, players and staff aim to always maintain passion in working for each other and the local area. In doing so, as a locally attuned and accessible club, we want to help fill the community with "smiles" and vitality.
