FC FUJIZAKURA YAMANASHI

FC Fujizakura Yamanashi, named after the Fujizakura (Fuji cherry), which is the prefectural flower of Yamanashi, was founded in 2019. The club's motto is "First class in playing, and first class in society", signifying the club's aim to produce worldclass football playing workers, i.e. players who can take responsibility for living their own authentic lives away from the game. By having all members manifest our footballing philosophy of "Football with passion", we aim to generate wonder that inspires everybody involved with the club.
