

DIAVOROSSO HIROSHIMA

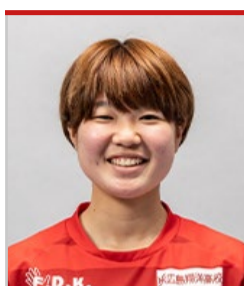

Diavorosso Hiroshima was founded in Hiroshima Kumano Town in 2019. Diavorosso was coined from the Italian words "Diavolo Rosso" meaning "red devils", and the name reflects the energetic image of the color red and the team's desire to toy with opponents like devils and wow the supporters. Enjoying an environment that includes two football pitches and a clubhouse, the club aims to excite women's football and the girls' and women's footballing town of Kumano.
