

FUKUOKA J ANCLAS

The team was established in 1986. "Anclas" is the plural form of the Spanish word "ancla", which means "anchor", and the team was relaunched under a new organization as Fukuoka Anclas Co., Ltd. in 2018. As a top team that also possesses a school and academy, it aims to become Japan's top club out of Fukuoka in Kyushu while devoting energy to female empowerment and close ties and affection with the local community.
